Dear Alex

I am writing to you on behalf of Stepping Stones, to thank you personally and all your team for the wonderful work carried out at Stepping Stones as part of the recent refurbishment. The work was carried out to a very high standard and actually completed one week ahead of schedule; all the workmen were hardworking and friendly and went above and beyond their remit in many ways to help us, including helping move heavy items of furniture.

I would also like to pass on the thanks of everyone at Stepping Stones for the kind and generous donation by WD Stant of all the units required for our new kitchen, the kitchen will benefit everyone who uses the building and will enhance the service we are able to provide to our service users on their difficult counselling journey.

Stepping Stones is a registered charity that has been based in Wrexham for over 30 years it is a unique charity that counsels and supports adult survivors of childhood sexual abuse in Wrexham and throughout the whole of North Wales. It is a brave decision for a person to make that first step to seek help and Stepping Stones provides a safe and welcoming free service to all.

It was with the service users in mind that the decision for the refurbishment was made and it has been a pleasure to work with WD Stant, a local company, in fulfilling our dreams of a wonderful building fit for purpose, your time skills and support have been greatly appreciated and will make a huge difference, to all who use the building, thank you so much.

Kindest regards

Joy Dyment
